NATIONAL ORAL HYGIENE DAY – 01.08.2020

The national oral hygiene day was celebrated in Adhiparasakthi Dental College and Hospital on 1.8.2020. All the head of the department and faculties participated in this program. All the patients who visited the dental hospital participated in this program. The significance of maintaining good oral hygiene was explained to the patients. The appropriate aids used for maintaining oral hygiene was illustrated to the patients by the dentists. All the patients were explained about the appropriate brushing method using pamphlets and models. Health education videos about the health benefits of maintaining good oral hygiene were displayed in the patient waiting area in the ground floor.

Demonstrating various oral hygiene aids to the patients

GLOBAL HANDWASHING DAY

DATE: 15/10/2020

POST EVENT REPORT

The Global Hand Washing Day was celebrated on 15/10/2020 under the theme "**Hand Hygiene for all**", jointly organized by NABH, NSS & YRC committees. Principal Dr. A.Vasantha kumari presided over the event. Teaching and Non-teaching staff members and out-patients participated. Hand hygiene techniques were demonstrated to the patients by NABH team and pamphlets were distributed. The patients followed the hand hygiene technique under the supervision of NABH team. A video depicting the hand hygiene measures was released by our respected Principal. The students were encouraged to participate in a video contest creating awareness on the significance of hand hygiene and the best student participant was awarded E-certificate. The best non-teaching performers were appreciated with a badge.

WORLD HEALTH DAY – 07.04.2021

Every year the World Health day is celebrated on 7th April. This year, World Health Day was celebrated with the theme “**Building a fairer, healthier world for everyone**”. Our college Principal, Dr.A.Vasanthakumari and the other department Heads participated in this programme. In order to create awareness among the general public, health education was provided on topics like improper food habits, ill effects of harmful habits like smoking, tobacco chewing, obesity, social media addiction, road traffic accidents and global warming through power point presentation by the interns.

NATIONAL TOOTH BRUSHING DAY

DATE: 09/11/2021

POST EVENT REPORT

The National Toothbrushing day was launched by Indian association of public health dentistry to emphasize the importance of oral health among every member of the society. In accordance to it, the Department of Public Health Dentistry organized various activities to encourage the students to spread the importance of oral health promotion among the public. The undergraduate students were motivated to spread oral health awareness to their family members through "**Brush up and Brighten!!!**" initiative using visual-aid. Our college final year BDS students created a video on "Home Oral Care" in vernacular language and was launched by our respected Principal. "**One word story**" contest was conducted for final year BDS students on oral hygiene related topic and the winner were rewarded. All the participants were provided with an E-certificate.

PROGRAM: ORAL HYGIENE DAY

DATE: 01.08.2019

POST EVENT REPORT

The oral hygiene day was celebrated on 1st August 2019 with the aim to improve the oral hygiene awareness among school students. The program "Floss Like A Boss" in Elapakkam Government Higher Secondary School, Acharapakkam, on behalf of the Department of Public Health Dentistry and Department of Periodontics. In the current oral hygiene day program, school children were focused since primary prevention of oral diseases can be achieved through oral hygiene instructions.

Dental screening and distribution of pamphlets with oral hygiene instructions were given for the school children of Elapakkam Government Higher Secondary School, Acharapakkam. Approximately 652 school children were screened. Oral health education regarding importance of hand hygiene and oral hygiene were demonstrated with the visual aids like tooth models and educational charts.

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

Dentist day 06.03.2020

The Dentist day was celebrated on 6.3.2020 at Adhiparasakthi Dental College by inauguration of wheel of colours by the principal. All the head of the departments also joined the inaugural. The wheel of colours had different dental diseases and the treatment for the same. Pamphlets illustrating the benefits of visiting a dentist and proper brushing techniques was distributed to the patients. In addition, the patients visiting the Primary health center in Venmalagaram and Madhuranthagam was distributed with the pamphlets illustrating the benefits of visiting a dentist and proper brushing technique was illustrated in both English and tamil.

A dental screening and treatment camp was conducted in Perumbakkam village. The patients who attended the camp was individually counseled with the various modalities of treatment. Pamphlets illustrating the benefits of visiting a dentist in both English and *tamil* was distributed to all patients.

A skit was conducted by the interns and Dr Subashree in Perumbakkam government primary school. The significance of retaining avulsed tooth and various modalities of preserving avulsed tooth was also explained. In addition a health education session was conducted for the students about the parts of tooth, proper technique and duration of brushing, use of appropriate oral hygiene aids and the significance of retaining natural primary and permanent dentition was explained. The school headmistress personally thanked this effort of conducting the skit.

WORLD CANCER DAY - 04.02.2020

In line with **World Cancer day** celebration, a signal campaign and Oral Cancer Awareness Rally was organized on 4.2.2020 for creating awareness to the general public at Melmaruvathur bus stop signal. Pamphlets illustrating the causes for oral cancer in both English and Tamil language were distributed to general public. Interns displayed placards depicting the role of deleterious habits in causing oral cancer for the benefit of the people. Slogans indicating the etiological factors of cancer and their prevention as well as the ill effects of tobacco consumption and its association with cancer were recited throughout the campaign.

YOUTH RED CROSS COMMITTEE

MOTOR CYCLE RELAY RALLY – 12.03.2020

A motor cycle relay rally has been organized by the Indian Red Cross Society – Tamil Nadu branch (IRCS-TNB) for Red Cross Centenary Celebrations. The rally has started from Kanniyakumari and will reach Chennai via Kanchipuram district. The Kanchipuram branch of IRCS-TNB has recruited volunteers to welcome the rally at the district border and give a send-off at Melmaruvathur. Twenty YRC volunteers from Adhiparasakthi Dental College and Hospital along with a staff were selected to take part in the rally. The rally was attended by volunteers from various colleges and schools in and around Melmaruvathur.

The rally commenced with introductory speech about Centenary celebrations of Red Cross and it's functioning throughout the world by Prof. R. Manickam, District Secretary, IRCS – Kanchipuram district and Mr.Krishnan. The Red Cross members who travelled from Kanniyakumari were welcomed at Melmaruvathur. They were felicitated and given a memento. Then, the motor cycle rally took off from Melmaruvathur accompanied by YRC volunteers.

WORLD ORAL HYGIENE DAY- 1st AUGUST, 2018

The Department of Periodontics and Department of Public Health Dentistry, APDCH jointly organized "ORAL HYGIENE DAY" on 1st August 2018. Our Principal Dr.Thilainayagam, was invited to head the program. The Head of all other Departments along with other faculties were also invited to attend the celebration with our college out patients. Tooth models along with a model tooth brush prepared by our interns were used to demonstrate tooth brushing technique and oral hygiene instructions were given to the out patients visiting Adhiparaskthi Dental College by our Interns.

Oral Health education video was inaugurated by our beloved Principal. This video will be further used to educate the various dental diseases and their treatment modalities in all Departments. At the end of the celebration patients were encouraged to discuss their doubts regarding their oral hygiene practices. The celebration ended with the distribution of free tooth brushes and tooth pastes by our beloved Principal Dr.Thilainayagam

World No Tobacco day- 2019

Venue: Athur Toll gate.

Date: 31.5.2019

Time: 8.45 am to 1.30pm

Type Of The Outreach activity; Pamphlets distribution at Toll Plaza, Athur

No of Students, Dentist and support staff Participated: 54

Target Population: Vehicle Drivers

In Adhiparasakthi Dental College, the World No Tobacco Day was celebrated with the synergetic efforts of three departments, Oral Medicine and Radiology, Oral and Maxillofacial Surgery and Public Health Dentistry. In the current World No Tobacco day program, drivers were focussed, since they fall in the high risk category for tobacco usage.

Dental screening and distribution of pamphlets was done for the drivers of Adhiparasakthi Charitable, Medical, Educational & Cultural Trust, Nursing College, Physiotherapy college, Medical College and Adhiparasakthi group of school in their respective institutions. Approximately 75 drivers were screened and for those who are having the habit, initial tobacco cessation intervention was given by the trained inters and for further follow up, they were referred to Adhiparasakthi Dental College and Hospital.

Ill effect of tobacco Pamphlets were distributed to drivers in Athur toll plaza. In addition, pamphlets were also distributed to all passengers and public in the toll plaza.

WORLD NO TOBACCO DAY 31st May, 2019

In Adhiparasakthi Dental College, the World No Tobacco Day was celebrated with the synergetic efforts of three departments, Oral Medicine and Radiology, Oral and Maxillofacial Surgery and Public Health Dentistry. In the current World No Tobacco day program, drivers were focussed, since they fall in the high risk category for tobacco usage.

Dental screening and distribution of pamphlets was done for the drivers of Adhiparasakthi Charitable, Medical, Educational & Cultural Trust, Nursing College, Physiotherapy college, Medical College and Adhiparasakthi group of school in their respective institutions. Approximately 75 drivers were screened and for those who are having the habit, initial tobacco cessation intervention was given by the trained inters and for further follow up, they were referred to Adhiparasakthi Dental College and Hospital.

Ill effect of tobacco Pamphlets were distributed to drivers in Athur toll plaza. In addition, pamphlets were also distributed to all passengers and public in the toll plaza.

To

The Adhiparasakthi Charitable, Medical, Educational & Cultural Trust,
Transport division,
Melmaruvathur.

Respected Sir/Madam,

As the **World No Tobacco day** falls on 31.5.2019 (Friday), we are planning to create awareness among the drivers about the ill effects of tobacco usage. Hence we kindly request you to grant us permission for oral screening and distribute pamphlets to all drivers of educational institutions under the trust.

Thanking you

Yours Sincerely

Dr. S. Karthiga Kannan

CAREER OPPORTUNITIES RELATED TO DENTISTRY

ORIENTATION PROGRAM

Camp venue: R.C Higher Secondary school, Sendivakkam

Camp date: 7/2/19

Total number of students participated	366
Number of students required scaling/cleaning of teeth	146
Number of students required teeth filling	86
Number of students required Braces treatment	04
Number of students required extraction	03
Number of pedo patients	125

Camp was held at Sendivakkam R.C Higher secondary school, Sendivakkam. The camp started by 9.00am and ended by 2pm. Routine dental screening of all the classes was carried out with appropriate referral. Camp activities included screening and counseling program. Oral health education and awareness were covered under the counseling section.

Powerpoint Presentation about Health education, was given by Dr.M.Dinesh Dhamodhar to give an orientation regarding various opportunities for dentists. A brief orientation was given to the students regarding the career opportunities for dentists in central and state government. In addition, orientation was also given on the career opportunities for dentists in Indian defense services. The students were also explained about all higher studies option, clinical practice, research. This program was followed by an interactive session between the school students from 9th to 12th standard. The students were very enthusiastic and eager to get their doubts cleared regarding oral hygiene and career opportunities.

World No Tobacco Day

- “World No Tobacco Day” was celebrated on our college on 2016.
- Regarding that rally was organized from our college campus to Melmaruvathur bus stop with students holding awareness posters and plug cards.
- The posters and plug cards were displayed about tobacco and its ill effects and importance of quitting the habits.
- Principal , staff , CRRI, 1st year and 2nd year BDS students approximately 150 members participated in the rally.
- The rally has been conducted with informative slogans like “Quit smoking for healthy and happy life” etc.

WORLD ORAL HYGIENE DAY

- Department of Periodontics and Department of Public Health Dentistry jointly organized "ORAL HYGIENE DAY" on 1st August, 2016 in our college.
- Our college Principal was invited with other faculties to attend the celebration with our college out patients.
- Oral Health education seminars regarding "Halitosis", "Influence of Oral health in Systemic health", "Do and don't's for oral hygiene maintenance" and "Brushing teeth" were presented to the patients to create awareness.
- Models showing brushing techniques were also displayed.
- At the end of the celebration patients were encouraged to discuss their doubts regarding their oral hygiene practices.
- The celebration ended with the distribution of free tooth brushes and tooth pastes.

DENTIST DAY – 6th March, 2017

The Dentist Day was celebrated on 6th March in our college in the reception area. An **“awareness skit”** was organized and performed by CRR I students and third year BDS students to educate the people about various dental problems and their treatment modalities which are available for prevention and cure. Various methods of replacement of teeth and ill effects of substance abuse were explained to the out-patients attending our college on that day. The celebration ended with a quote that **“Prevention is Better than Cure”**.

“Awareness skit” was performed by Third year BDS students
