Brief History of the Adhiparasakthi Dental College & Hospital

- ❖ Adhiparasakthi Dental College & Hospital was started in 2003 and later evolved as teaching institution in 2005.
- ❖ College & Hospital Motto **“Learn & Lead” & “Your Smile Our Pride”**
- ❖ Adhiparasakthi Dental College & Hospital (APDCH) was established in 2005 as a constituent institution of the Adhiparasakthi Charitable, Medical, Educational and Cultural Trust (ACMEC Trust).
- ❖ Our Institution is approved by the Ministry of Health and Family Welfare, Govt. of India, New Delhi, as per the recommendation of Dental Council of India and affiliated to The Tamilnadu Dr. M.G.R Medical University, Tamilnadu, Chennai.
- ❖ The college is situated in the holy town of Melmaruvathur, Cheyyur Taluk, Kancheepuram District of Tamilnadu State, well connected to Chennai & Puducherry.
- ❖ The institution is dedicated to the pursuit of excellence in dental health education, research and patient care.
- ❖ We are strongly committed to public service, a collaborative work ethic and providing good care to diverse communities.
- ❖ Adhiparasakthi Dental College & Hospital was established with the noblest aim of providing affordable healthcare to the downtrodden and weaker sections of the society.
- ❖ Our institution has been certified with ISO 9001:2015, NABH and NAAC accreditation.
- ❖ Our institution has MoU (Memorandum of Understanding) with Sri Lankan Dental Council to admit international students in pursuing undergraduate dental education.

Accommodation and Transport

Hostel facilities are available only for APDCH students for both UG & PG (Ladies & Gents). Staff Quarters are available for all Heads & Doctors. There are also guest rooms located near the hospital, which are primarily for patients, relatives, doctors & staff during any emergency. Arrangement of accommodation and payment for the same is the responsibility of the employee. Whoever require accommodation, they shall contact the Admin Manager. Transport facility is available for staff members.

Pre-Employment & Annual Health Check-up

All Staff are required to complete a medical examination done before being appointed or joining duty as a part of Pre-employment health Checkup and followed by an Annual health check-up for upcoming years till their employment.

- **Pre-employment health checkup:**

The medical checkup is conducted for the selected employee to confirm their medical fitness for the job. The fitness test will be conducted by the medical practitioner from Adhiparasakthi Hospitals (A clinical division of MAPIMS).50% of cost exemption will be made from the total charges and the remaining amount will be deducted from their salary.

- **Annual Health Checkup:**

All staff having Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will have full cost exemption for their Annual Health-checkups done only in Adhiparasakthi Hospitals. Other Staff (Non-policy holders) will have 50% of cost exemption from the total charges.

- **Medical benefit:**

An individual and their family members (Father, Mother, Spouse and children) holding Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will be eligible for the following. For In Patient Facility -100% Concession, For Out Patient Facility -25% Concession.

CORE VALUES

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well trained support staff who work as one team
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.

GOALS

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on, models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.

V. LAKSHMI BANGARU ADIGALAR

Vice President – ACMEC TRUST

Mother wants all her children to live in peace and comfort. Unfortunately, the evils of racial discrimination, economic inequalities, communal bias, class distinctions, linguistic fanaticism and social instability plague the world. This is the consequence of the decline in the spiritual value and the emergence of materialism. To overcome these problems, the “Mother” wants each of his devotees to help the oppressed and the underprivileged. The first step in this direction was formation of The Adhiparasakthi Charitable Medical Educational and Cultural Trust (ACMEC). The Trust was created in 1978 with the prime objective to spread spirituality and render social and community services irrespective of caste, creed, community and religion

DR. T. RAMESH
CORRESPONDENT

I am delighted to welcome you to Adhiparasakthi Dental College & Hospital, a splendid place of Learning and Practicing! Adhiparasakthi Dental College & Hospital is a leading centre of excellence in oral health care, recognised for its under graduate and post graduate training programs. The Institution offers excellent education and training facilities for a bright and prospective career in dentistry. Established in 2005, our major emphasis of imparting training is to kindle the curiosity and innovativeness in our students and lay a strong foundation from where they can acquire quick learning abilities and adapt themselves to the fast changing world.

We have an innovative and forward looking curriculum. The Institution has been progressing steadily and is gradually emerging to be internationally acclaimed. Our faculty comprises of well experienced, renowned, dedicated and successful teachers who have been imparting up-to-date knowledge and training in good diagnosis and therapeutic facilities, research and academic activities

The college provides an excellent atmosphere for students complimented by a vibrant mix of culture and style. So, we shape outstanding career experts in dental sciences, as the stream of talents will flow from this college to the world. It has evolved into a beautiful paradise which not only hones the skills of budding professionals, but also, prepares them psychologically through its various extended activities.

Gender Sensitization Committee Against Sexual Harassment

The policy outlines the protocol and measures implemented at APDCH to prevent violence and harassment including sexual harassment at the workplace. There is a clear intent that at APDCH there is 'Zero tolerance' to any form of violence or harassment (including sexual) towards any member of its work-force.

The policy on Preventing Sexual harassment at Workplace follows the guideline of the 'The Sexual Harassment of Women at Workplace' (Prevention, Prohibition and Redressal) Act 2013. Acts of 'Sexual Harassment' within workplace are recognized as a violation of Human rights. According to the Supreme Court definition, sexual harassment is any unwelcome sexually determined behaviour, such as

- Physical contact
- A demand or request for sexual favours
- Sexually coloured remarks
- Showing pornography
- Any other Physical, verbal or non-verbal conducts of a sexual nature.

Grievance Redressal and Disciplinary Procedures

The APDCH Grievance Procedure is outlined below:

1. All employees have a right to seek redressal of any grievance which one may have relating to their employment. The grievance procedure has been designed to be simple and rapid in operation and is aimed at settling the matter fairly and as near to the point of origin as possible.
2. Any employee who wishes to raise an issue in which he / she is directly concerned must discuss it with his / her HOD / Supervisor immediately. This may be done verbally or in writing depending on the seriousness of the issue. The HOD / Supervisor will use his /her best effort to resolve the issue within 48 hours (2 working days), consulting with other members of the management if necessary.
3. If a satisfactory solution is not reached within 48 hours (2 working days) the employee is at liberty to communicate his grievance using the **Confidential Grievance Box** to get her /his grievance resolved.

All written Grievances will be maintained in a confidential file by each HOD. The HR Department will maintain a separate confidential file for the grievances received by them and through the **Confidential Grievance Box**.

Grievance Redressal Committee

All grievances will be processed by this Committee.

Advisor	Dr.A. Vasanthakumari, MDS, Principal, APDCH
Chairperson	Dr. N. Thilagavathi, MDS, Prof & HOD, Oral Medicine
Member Secretary	Dr. D. Durairaj, MDS, Prof & HOD, Oral Surgery Mrs. Preethi R.S, Quality Manager
Members	Dr. T. Sivasankari, MDS, Reader, periodontics Dr. S. Kalaivani, MDS, Lecturer, PHD

Disciplinary Action

An employee may be suspended from work, if he /she has allegedly committed or is allegedly involved in any one of the following offences.

- a) Assault / attempted assault.
- b) Desertion.
- c) Negligent loss, negligent driving, damage or misuse of organization property.
- d) Abuse of electronic / data facilities.
- e) Sexual harassment.
- f) Fighting, creating a disturbance or being abusive.
- g) Alcohol and drug offences.
- h) Willful loss, damage or misuse of organization property.
- i) Theft / unauthorized possession of organization property.
- j) Breach of Trust.
- k) Any act of omission which intentionally endangers the health or safety of any patients, others or is likely to cause damage to Organization property.
- l) Insubordination. (if the situation shows signs of getting out of control)

HODs will recommend that the offender be removed from the work place pending investigation of the case. He / she will take immediate steps to report the matter to the Principal, who will raise the matter with the management. It is mandatory to liaise with the Principal/Correspondent prior to suspending an employee in order to ensure that the suspension is procedurally and substantively fair.

Depending on the results of the enquiry conducted subsequent to suspension from work, an employee's services may be terminated as per the laid down rules of termination from service.

Employee Safety Measures

- Pre-Employment Medical Check Up
- Annual Health Check up
- Radiation Badge / Radiation Leave

- Chemical Spillage Kit
- Mercury Spillage Kit

Infection control practices and safety precautions to be adhered strictly by all the Staff:

Observe **Standard Precautions** all the time. Standard precautions are recommended for doctors, nurses, patients, and all health care support workers who are required to come into contact with patients or body fluids. Every patient is treated as if infected and therefore precautions are taken to minimize risk of acquiring or transmitting infection. Essentially, standard precautions are good hygiene habits, such as hand hygiene and appropriate use of PPE including gloves/ masks/eye protection among others.

1. Always use proper hand hygiene during the 5 moments of patient care. The moments are before handling a patient or the immediate environment of the patient, before aseptic procedures, after handling a patient, after coming in contact with blood, body fluids, secretions or excretions and after touching a patient's environment. Always use hand rub before and after removal of gloves.
2. Use alcoholic hand rub available at the various sites for the purpose of hand hygiene, in an appropriate manner to cover all parts of the hand, and rub for 10-20 seconds. Do not use the hand rub on wet hands and allow hands to dry, without using hand towels/tissue.
3. Wash hands with soap and water when the hands are visibly soiled, after a needle stick injury or after handling biomedical wastes. Wash hands at start and end of a shift and before the 1st dental surgical procedure. At all other moments an alcoholic hand rub is recommended.
4. Use sterile disposable gloves before aseptic procedures. Clean disposable gloves may be used before handling contaminated sites, blood, body fluids, secretion and excretions.

5. All needle stick injuries should be reported to the Head of the departments. First aid must be administered immediately by allowing the site to bleed freely, and then wash with soap and water. Do not squeeze the site. Antiseptics are not required when access to hand wash is available. Report to the Infection control nurse/Quality Manager and complete the Needle Stick Injury report form. Advice may be sought from the Consultant Microbiologist.
6. Entry to all CSSU, AAADAR & Minor OT is allowed only after covering the street foot wear with shoe covers. Masks and caps are mandatory for those entering the OP procedure areas, Minor OT, Minor OT & CSSU and all those in direct contact with patients.
7. Masks/ gloves/ shoe covers must not be wastefully used and are not required in general areas and the cafeteria.
8. Cover mouth/nose when coughing/ sneezing. Do not keep objects like pencils/ ball pens in the mouth while inside the Hospital.
9. Do not store beverages and food packets in the refrigerator along with dental materials, medication reagents.
10. Tie all long and loose hair while working inside the Hospital. Female employees must not wear flowers in their hair during working hours.
11. For any Hazmat spills (Blood/Body Fluids/Chemical/Mercury spills) refer to the protocol available with section-in-charge person.
12. Smoking is strictly prohibited inside the hospital or in the hospital premises.

Information Technology (IT) Department

Information technology department in our college is effectively functioning in networking & camera installation, configuration and troubleshooting any issue. IT department also monitors all the departments' OPD and Library Computing server, installation and troubleshoots any software issue. Department Barcode Printer and scanner Installation and configuration is performed by IT department. Digital assistance for University Examination is done by IT department. All staff and student ID cards are issued and uploaded in CIS page by IT department.

Hospital Information System (HIS)

APDCH HIS in association with Fitsys India Pvt Ltd has launched a new HIS portal by June 2020 for the clinical management. It is a web based, 3-tier, comprehensive, modular and integrated HIS that automates the functionalities of hospital establishments. It includes various modules such as patient registration, appointment & scheduling, billing, doctor's workstation, EMR (Electronic Medical Record), Lab & Radiology – interface with medical hospital also, Inventory management, Patient feedbacks, administrative dashboards, etc.

HIS accessed through a separate login credential for all the clinical & non-clinical departments

Central Intelligence System (CIS) access for Staffs:

How to access: www.apdch.edu.in --> Staff Login

Enter the User name & Password (Provided by the College) – Profile can be viewed.

Benefits:

1. To Apply & Cancel for Leave Requisition, Permission, OD & Week off.
2. Can view their Leave available & Leave Status.
3. Can view their Attendance for every Day & Month.
4. Extra-Curricular activities can be uploaded.
5. Can download their Pay slip.

Conclusion

At APDCH, we have to maintain the highest professional standards possible. The management will Endeavour to provide you with the best environment possible to achieve these standards.

You must work hard to ensure that we are able to ensure the best dental care possible

Accommodation and Transport

Hostel facilities are available only for APDCH students for both UG & PG (Ladies & Gents). Staff Quarters are available for all Heads & Doctors. There are also guest rooms located near the hospital, which are primarily for patients, relatives, doctors & staff during any emergency. Arrangement of accommodation and payment for the same is the responsibility of the employee. Whoever require accommodation, they shall contact the Admin Manager. Transport facility is available for staff members.

Pre-Employment & Annual Health Check-up

All Staff are required to complete a medical examination done before being appointed or joining duty as a part of Pre-employment health Checkup and followed by an Annual health check-up for upcoming years till their employment.

- **Pre-employment health checkup:**

The medical checkup is conducted for the selected employee to confirm their medical fitness for the job. The fitness test will be conducted by the medical practitioner from Adhiparasakthi Hospitals (A clinical division of MAPIMS).50% of cost exemption will be made from the total charges and the remaining amount will be deducted from their salary.

- **Annual Health Checkup:**

All staff having Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will have full cost exemption for their Annual Health-checkups done only in Adhiparasakthi Hospitals. Other Staff (Non-policy holders) will have 50% of cost exemption from the total charges.

- **Medical benefit:**

An individual and their family members (Father, Mother, Spouse and children) holding Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will be eligible for the following. For In Patient Facility -100% Concession, For Out Patient Facility -25% Concession.

CORE VALUES:

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well trained support staff who work as one team
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.
Excellence	We pursue a high standard of excellence and honesty in everything we do.

GOALS

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on, models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.

GOVERNANCE

**His Holiness Arulthiru
BANGARU ADIGALAR**

Founder – President

His Holiness Bangaru Adigalar is the living incarnation of Goddess Adhiparasakthi. He is the upholder of Dharma in this kaliyuga. The living God has shown by practice that spirituality is the blend of Devotion and Duty. Duty is service to the deprived and the down trodden. His objective is to carry spirituality to the doorsteps of the common man so that the human race is elevated as a whole. The devotees of His Holiness Arulthiru Adigalar are spread over 70 countries.

**Sakthi Thirumathi
V. LAKSHMI BANGARU ADIGALAR
Vice President – ACMEC TRUST**

Mother wants all her children to live in peace and comfort. Unfortunately, the evils of racial discrimination, economic inequalities, communal bias, class distinctions, linguistic fanaticism and social instability plague the world. This is the consequence of the decline in the spiritual value and the emergence of materialism. To overcome these problems, the “Mother” wants each of his devotees to help the oppressed and the underprivileged. The first step in this direction was formation of The Adhiparasakthi Charitable Medical Educational and Cultural Trust (ACMEC). The Trust was created in 1978 with the prime objective to spread spirituality and render social and community services irrespective of caste, creed, community and religion.

CORRESPONDENT

I am delighted to welcome you to Adhiparasakthi Dental College & Hospital, a splendid place of Learning and Practicing! Adhiparasakthi Dental College & Hospital is a leading centre of excellence in oral health care, recognised for its under graduate and post graduate training programmes. The Institution offers excellent education and training facilities for a bright and prospective career in dentistry. Established in 2005, our major emphasis of imparting training is to kindle the curiosity and innovativeness in our students and lay a strong foundation from where they can acquire quick learning abilities and adapt themselves to the fast changing world.

We have an innovative and forward looking curriculum. The Institution has been progressing steadily and is gradually emerging to be internationally acclaimed. Our faculty comprises of well experienced, renowned, dedicated and successful teachers who have been imparting up- to-date knowledge and training in good diagnosis and therapeutic facilities, research and academic activities.

The college provides an excellent atmosphere for students complimented by a vibrant mix of culture and style. So, we shape outstanding career experts in dental sciences, as the stream of talents will flow from this college to the world. It has evolved into a beautiful paradise which not only hones the skills of budding professionals, but also, prepares them psychologically through its various extended activities.

QUALITY POLICY

We at, Adhiparasakthi Dental College & Hospital, Melmaruvathur, are Committed to provide value-based Dental Education to create a Centre of excellence in clinical and academic systems by fulfilling the requirements of Dental Council of India and The Tamilnadu Dr.M.G.R Medical University norms.

We are committed to provide an innovative and qualitative patient service which meets the needs & expectations of our interested parties in order to establish an internationally recognized institution.

We are also committed to continual improvement of our Quality Management Systems of faculty competency, infrastructure, academic & research facilities to create an environment to mold our students as leaders of Dentistry.

Gender Sensitization Committee Against Sexual Harassment

The policy outlines the protocol and measures implemented at APDCH to prevent violence and harassment including sexual harassment at the workplace. There is a clear intent that at APDCH there is "Zero tolerance to any form of violence or harassment (including sexual) towards any member of its workforce. The policy on Preventing Sexual harassment at Workplace follows the guideline of the Sexual Harassment of Women at Workplace(Prevention, Prohibition and Redressal) Act 2013. Acts of 'Sexual Harassment' within workplace are recognized as violation of Human rights.

According to the Supreme Court definition, sexual harassment is an unwelcome sexually determined behavior, such as

- Physical contact
- A demand or request for sexual favors
- Sexually colored remarks
- Showing pornography

Any other Physical, verbal or non-verbal conducts of a sexual nature

Information Technology (IT) Department

Information technology department in our college is effectively functioning in networking & camera installation, configuration and troubleshooting any issue. IT department also monitors all the departments OP and Library Computing server, installation and troubleshoots any software issue. Department Barcode Printer and scanner Installation and configuration is performed by IT department. Digital assistance for University Examination is done by IT department. All staff and student ID cards are issued and uploaded in CIS page by IT department.

Central Intelligence System (CIS)

Central Intelligence System (CIS) is the management information system in our institution and is linked with our college website with active Administrative Module, Account Module, Curriculum Module, Library Module, Examination Module, Certification Module, Faculty and Student Module. College administration and hospital administration is linked with the Administration Module. Medical Record Department (MRD) is partially automated with e-governance by this module. Outpatient entry, Patient referral, management and appointment were entered through this module. Through this module, with the use of IT facility Teaching and Learning programmes are implemented in an innovative way with effective utilization of Smart Board classes. Account module is linked with TALLY 9 Software for effective Accounting and Auditing procedures. Library module is linked NIRMAL PRO 6.1.0 Software, where e Resources are available to enable the students a speedy and convenient access to library journals through EBSCO.

Other Resources like Pubmed, Medline etc. can be accessed in the campus through Broadband based LAN connection and Specific WIFI Hotspots. Curriculum module is uploaded with the instructions given by Statutory bodies like Dental Council of India and The Tamil Nadu Dr. MGR MEDICAL UNIVERSITY. Time table for all years, Syllabus and Teaching Schedule with Specific Lesson Plans for all the years are incorporated in the module with specific task assigned to the individual faculty. Feedback can be given by the individual students to the staffs

SIGNIFICANT CONTRIBUTION BY THE INSTITUTION & THE OUTREACH PROGRAM

- Our college has been established with a noble mission of rendering services to the poor and needy population. Dental camps are conducted regularly in the nearby villages covering four districts – Chengalpattu, Villupuram, Tiruvannamalai and Vellore. Camps are organized along with other organizations such as Melmaruvathur Adhiparasakthi Institute of Medical Sciences, Rotary Club, Lions Club and other Non-Governmental Organizations functioning in and around Melmaruvathur.
- The Department of Public Health Dentistry conducts Dental screening, treatment and oral health awareness camps to diverse population like school children, elderly population and special groups. The main goal of the camps is to enhance the oral health awareness and help the people to understand the significance of oral health and general health relationship.
- Noble Gesture – Department of Oral Maxillofacial Surgery, on behalf of our Founder Day Celebration conducted a free oral cancer treatment camps for economically weaker section from 25.02.2020 to 03.03.2020 and five patients were benefited from this camp whose complete Surgical expenses were made free of cost.

RESEARCH

All the undergraduate and postgraduate students as well as the faculty members in the college undertake various research activities ranging from descriptive studies to experimental studies. Twenty-five ongoing research projects are being carried out by the students and faculty members of all the departments. Innovative original articles, case reports and review articles have been published in various national and international journals. From January to June 2020, our faculty members and students have published twelve articles in national journals, three articles in international journals and one article in PubMed/SCOPUS indexed journal. Our college caters to the research needs through a central library which has 4252 books pertaining to various specialties in health sciences, 28 National journals, 37 International journals, 232 Online access journals. E-library and journal access has been made available to all the students and faculty members, thereby, providing uninterrupted access to immense treasure of research materials.

EXTENSION ACTIVITIES:

ARULTHIRUAMMA'S 80th BIRTHDAY CELEBRATIONS

Noble gestures: On account of his holiness Arulthiru Amma's 80th birthday celebrations, several dental health care services were offered to the needy at free of cost. On behalf of the Department of Prosthodontics and Periodontics, free dental implant treatment camp was organized on 24th and 25th of February 2020. Twenty patients from poor economic strata were benefited by the high end latest restorative treatment.

The Department of Oral and Maxillofacial Surgery celebrated Arulthiru Amma's 80th Birthday by conducting Free Oral Cancer Treatment Camps from 25/02/2020 to 03/03/2020. Expert oral oncology surgeons - Dr. Rinku George, Professor and Head of Department, Oral Oncology at Saveetha Dental College, Professor Dr. G.V.V.Giri, Dr. S. Elengkumaran from Sri Ramachandra Dental College were invited as guest faculty for this event. Professor Dr.Senkathir Selvan, Department of Plastic Surgery and Dr. Vasanth, Department of ENT, MAPIMS contributed towards the grand success of this event. Of the seven cases reported to OP, two cases were referred for palliative care and five patients were treated with surgical management. All the investigations were done free of cost.

OTHER EXTENSION ACTIVITIES

1. DENTAL AWARENESS PROGRAMME

The Department of Pediatric and Preventive Dentistry had organized and conducted Dental Awareness program 2020 at GOVT. HIGH SCHOOL, THOZHUPPEDU, KANCHIPURAM DISTRICT on 11th February, 2020. It consisted of Drawing and Quiz competition, dental awareness counselling and distribution of oral hygiene kit and pamphlets. Around 300 school children were benefited by this program. Prizes were distributed to winners and participants of the competition on 12th February, 2020.

2. VILLAGE ORAL HEALTH CAMPS

During the month of February and March, village oral health camps were organised by the Department of Public Health Dentistry along with Melmaruvathur Adhiparasakthi Institute of Medical Sciences (MAPIMS) and Bullockcart Workers Development Association (BWDA). The people residing in the rural areas of Chengalpeta, Kancheepuram, Villupuram, Vellore and Thiruvannamalai districts were benefitted from the general and oral health camps. In addition, weekly camps were conducted in nearby villages so as to serve underprivileged people. In total, 3233 were screened and 285 were treated. Oral health education regarding prevention of oral diseases was provided. Oral hygiene instructions were given along with the demonstration of brushing. Camp statistics: The Department of Public Health Dentistry have conducted free oral health camps in 36 villages from the month of January to March 2020. The total number of people screened and treated were 3719 and 522 respectively. For the last six months, the Department of Pediatric and Preventive Dentistry has conducted free oral health camps in 11 schools near Melmaruvathur. A total of 829 students were benefitted by the dental camps and dental awareness programmes organised by the Department of Pediatric and Preventive Dentistry. The total number of students treated were 735. The most common dental condition that prevailed in the overall camp activities are

- Dental caries of primary tooth especially the upper and lower molars
- Mild to moderate Fluorosis
- Poor Oral hygiene maintenance
- Inadequate dental awareness

PATIENT CARE

The patient care unit in the college functions effectively in receiving the patient at the reception and guide them in OP card registration and accompany them till their respective departments. They also help them in billing. The patient feedbacks are effectively collected by the Patient Care Coordinators every day and are being analysed on a monthly basis. They also register any complaints and report it to Quality Manager and finally to the respective departments thereby rectifying the problem. The OP census from the month of January to June was 29,492. More than 85% patients visiting our dental college were very satisfied with the dental services provided with special care for each individual patient.

In the face of the COVID-19 pandemic, new biosafety measures are necessary to reduce contagion. As dental professionals work directly with the oral cavity, they are exposed to this virus or other infectious agents. For this reason, a precise operative protocol has been organized for all the patients. Adequate management of the protection for patients begins with the Patient care attendant. Every patient is assumed to be infected and all cautious measures are adopted. In addition, the patient care attendant must organize appointments in order to avoid crowding in the waiting room.

The Patient Care Attendant reaches to the patient at the entrance and advises them to wear shoe covers, face masks; disinfect the hands with 70% alcoholic solution and a mouth rinse of 2% povidine-iodine germicide solution. If there are several patients in the waiting room, the patient care attendant arranges them to sit at least two meters away from each other.

5. DENTIST DAY

Dentist day was celebrated on 6th March.2020. Our respected Principal, Prof. Dr.A.Vasantha Kumari inaugurated “Wheel of Colors” which depicted different dental conditions and diseases, their prevention as well treatment options. Pamphlets illustrating the benefits of visiting a dentist and proper brushing technique (both English and Tamil) were distributed to the patients attending our dental college, the dental OP of Primary Health Centers in Venmalagaram and Madhuranthagam as well as Perumbakkam treatment camp. A skit about the significance of retaining avulsed tooth and various modalities of its preservation was performed in Perumbakkam government primary school. Oral health education was provided for the students regarding parts of a tooth, proper brushing techniques, use of appropriate oral hygiene aids and the significance of retaining natural primary and permanent dentition.

6. WOMEN’S DAY CELEBRATIONS

Women’s Day Celebrations were organized in our college on 16th March 2020 at Platinum Jubilee Auditorium, Academic Block, APDCH. Our beloved correspondent Dr.T.Ramesh graced the occasion and felicitated. Our respected Principal Prof. Dr.A.Vasantha Kumari delivered the welcome address. All women HODs were honoured and non-teaching women staff were also felicitated by our correspondent Sir. Few male faculty members volunteered to deliver encouraging speech about women empowerment.

7. WORLD NO-TOBACCO DAY

World No-Tobacco Day was observed on 1.6.2020 under the guidance of our respected Principal, Prof.Dr.A.Vasantha Kumari. The patients attending the Dental OP were explained about the deleterious consequences of using tobacco through Oral health educational models. The faculty members from the Department of Public Health Dentistry explained about the ill effects of tobacco and methods of preventing oral cancer. Pamphlets illustrating the long term effects of smoking and the harms inflicted by passive smoking during pregnancies were distributed to the patients.

8. WORLD ENVIRONMENT WEEK CELEBRATIONS

World Environment Week celebrations were organized in our college premises from 1st to 5th June, 2020 with an initiative to encourage eco-friendly measures and minimal usage of paper and other resources. Various competitions under the theme “Biodiversity” were conducted for all the students and staff members. The winners and participants of the competitions were provided with an E-certificate. As a part of Environment Week Celebrations, faculty members attended the webinar “Biodiversity In Practice: What Environmental Professionals Are Doing to Enhance their Environment”.

They also participated in Act now campaign organized by United Nations Organization. World Environment Day was celebrated on 5th June, 2020 in the college premises. Due to COVID-19, precautions were taken to ensure social distancing among the patients and staff members. Plant saplings were distributed to patients and teaching as well as non-teaching staff members by our respected Correspondent, Dr. T. Ramesh, MD and Principal, Prof. Dr. A. Vasantha Kumari. An oath was taken by the faculty members to follow an environment friendly lifestyle. Two videos were launched by Correspondent to celebrate “World Bicycle Day” and “World Environment Day”.

9. WORLD BLOOD DONOR DAY

World Blood Donor Day was celebrated by Youth Red Cross (YRC) committee under the theme Safe Blood, Saves Lives. Various online student activities to increase awareness about voluntary blood donation were organized including Logo/Poster/Video making contest, Spread the message initiative and Online signature campaign. To mark the World Blood Donor Day and for easy communication with blood donors in our college, Sakthi Life – a mobile based blood donors' app was launched by our respected Correspondent, Dr. T. Ramesh on 15th June 2020. The launch event was attended by our respected Principal, Vice-Principal and Head of all departments. The app development process was explained through Power Point Presentation and its functioning was demonstrated through a video. The login credentials of the app was given to Dr. Ramanathan, Medical Officer, Transfusion Medicine, Adhiparasakthi Hospitals.

10. INTERNATIONAL YOGA DAY

International Yoga Day was celebrated by National Service Scheme (NSS) Team with the motto “Yoga to combat corona, Yoga to improve Physical, Mental & Social well-being of all health care workers”. To mark this occasion, first year Undergraduate student, Mr.Gokul had participated in an online Yoga Competition “My Life My Yoga 2020” initiated by Ministry of AYUSH, Government of India. Final year undergraduate students performed various asanas following the yoga theme for the year 2020 “Yoga from home & Yoga with family”. A Live yoga training session was organized in the college auditorium on 22nd June 2020 and was inaugurated by our respected Principal Prof.Dr.A.Vasanth Kumari with welcome address. An online training was given by Mr.V.M.Janakiraman, Director-Yoga therapy, Krishnamacharya Yoga Mandiram for over 30 teaching & non-teaching staffs. All the staff members performed yoga with social distancing.

11. NATIONAL VOTER’S DAY

National Voter’s Day - 2020 Intercollegiate cultural and sports fiesta, SANGAMAM – 2020, was held on 8th, 9th and 10th of January 2020 at Karpaga Vinayaga Institute of Dental Sciences. About 300 students participated in various events conducted on all 3 days and won many prizes. Our college won the “OVERALL CHAMPIONSHIP” consecutively for the second time after 2019. Pongal celebrations were held in our college premises on 11.01.2020 to embark the importance of and pride of “THAMIZHAR THIRUNAAL”. Our Respected Correspondent Dr.T.Ramesh graced the occasion and inaugurated the celebrations by lighting Kuthuvilakku and planting saplings. There were a lot of interesting fun games for all our teaching as well as non-teaching faculty members and all of them took part with a lot of enthusiasm. All our students and faculty members were in traditional attire. National Voter’s Day was celebrated in our college premises on 24.01.2020 to emphasise the importance of Right to Vote as responsible citizens of India. All students and faculty members of our institution participated with a lot of compassion. The Voter’s pledge was taken both in English and Tamil.

COVID 19 ACTIVITIES - A QUICK GLANCE

Uninterrupted Mother's Embrace to the Most Deserved

We, at Adhiparasakthi Dental College and Hospital, continued to provide essential oral health care services by following safety precautions and disinfection protocol as per NABH standards. OPD, casualty and ward continued to function and were managed by the faculties equipped with personal protective gear. Treatment procedures were restricted to emergency management of dental pain predominantly.

Safety measures: Every patient is screened for temperature and provided with face mask and shoe cover. Patient with high temperature will be referred to fever clinic in MAPIMS where they are assisted by patient care team for OP registration, further investigation and management. Hand sanitizer with a dispenser has been installed in all the department for hand hygiene purpose.

ACADEMIC ACTIVITIES

The sudden pandemic COVID-19 brought a stand still on all sectors including education. APDCH swiftly acted to ensure safety to our students and simultaneously took measures to continue imparting quality education to students through e-learning during the lockdown period.

Under Graduates:

The e-learning activities were organised and monitored by online committee. A training programme was organised to orient the faculty members in handling the online lecture classes and terminal examination. The lecture classes were voice recorded and streamed through college website. At the end of each lecture class, students' understanding of the subject was evaluated through MCQ sessions. Assignments are given to the students and their works are evaluated. Terminal theory and practical exams were conducted online through Google class room under the supervision of UG Co-ordinators, online committee and examination committee. The students were also counselled through online by their respective mentors.

Post Graduates:

PG academic activities including seminar, Journal club and case presentation were conducted via Zoom/Webex meet/Google meet apps.

E-consortium ID & Password were given to students for unlimited access to articles. Model exams were conducted for exam going PG students were also conducted by online & examination committee. Students were encouraged to attend webinars of national & international speakers.

Faculty members:

Research: The lockdown period was best utilised for preparing manuscript of completed researches for publication purpose.

Faculty development Programme: To enhance the skills and competencies of the teaching faculty in the college, various Faculty Development Programmes have been attended by the staff members. Our college IQAC has also organised a Faculty Development Programme with the guest speaker, Dr.J.Sabarinathan MDS, MFDSRCPS. It consisted of four webinars about Learning Management System (LMS) with special emphasis on NAAC considerations.

33

Department activities: Patients were treated with safety precautions. Department meetings were conducted via online forum (Zoom app) and action plans were generated and implemented. NAAC criteria discussion was done at the department level and progress was monitored.

Webinars attended: Most of the teaching faculty members attended DCI webinars and training programmes conducted by NABH and NAAC. In addition, hundreds of national and international webinars pertaining to each department, new technologies, COVID-19 coping strategies as well as general dentistry were attended by the faculty members.

ABOUT APDCH:

Adhiparasakthi Dental College & Hospital situated in the temple town of Melmaruvathur, well connected to both Chennai and Pondicherry. The dental hospital was started in 2003 which later evolved into a teaching Institution in 2005. The college was started with an aim to impart knowledge, values, discipline, and culture to student. "Service towards humanity" has been the primary motto of the Institution. Apart from training students to become good dental professionals they are also groomed to become responsible citizens.

The Institution is privileged to possess good infrastructure, library and equipment's with modern state of technologies. Students are encouraged to do research and utilize the facilities available and the Institution without any constraints. Our Institution has been blessed to serve many hundreds of patients per day: "Experience is the Best Teacher". This heavy inflow of patients helps students to gain wide knowledge and experience. The management and faculty members encourage and train students to become good professionals who are capable of treating a patient independently and confidently with ethical values and beliefs.

"Mouth is the mirror of human body". Any alterations in the oral cavity affects or reflects the health of the body in general. The above said fact lays the foundation for the essential study of dental science. The significance of the oral cavity cannot be undermined and hence the necessity for Dentistry in the field of Medicine.

A bachelor's course in Dentistry helps the student to acquire a basic knowledge of anatomy, physiology & biochemistry (general & oral aspects) in the first year of studies. In the second year of study they are encouraged to study the pharmacology, microbiology & pathology thoroughly. In the third year they are exposed to various surgical procedures and medical illness affecting the human body. Hence by the time the students reach the final year he /she have already obtained a fairly thorough knowledge about basic functioning of the human body and various diseases affecting humans.

CORE VALUES

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well trained support staff who work as one team
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.

GOALS

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on, models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.

Mother wants all her children to live in peace and comfort. Unfortunately, the evils of racial discrimination, economic inequalities, communal bias, class distinctions, linguistic fanaticism and social instability plague the world. This is the consequence of the decline in the spiritual value and the emergence of materialism. To overcome these problems, the “Mother” wants each of his devotees to help the oppressed and the underprivileged. The first step in this direction was formation of The Adhiparasakthi Charitable Medical Educational and Cultural Trust (ACMEC). The Trust was created in 1978 with the prime objective to spread spirituality and render social and community services irrespective of caste, creed, community and religion

I am delighted to welcome you to Adhiparasakthi Dental College & Hospital, a splendid place of Learning and Practicing! Adhiparasakthi Dental College & Hospital is a leading centre of excellence in oral health care, recognised for its under graduate and post graduate training programmes. The Institution offers excellent education and training facilities for a bright and prospective career in dentistry. Established in 2005, our major emphasis of imparting training is to kindle the curiosity and innovativeness in our students and lay a strong foundation from where they can acquire quick learning abilities and adapt themselves to the fast changing world.

We have an innovative and forward looking curriculum. The Institution has been progressing steadily and is gradually emerging to be internationally acclaimed. Our faculty comprises of well experienced, renowned, dedicated and successful teachers who have been imparting up- to-date knowledge and training in good diagnosis and therapeutic facilities, research and academic activities

The college provides an excellent atmosphere for students complimented by a vibrant mix of culture and style. So, we shape outstanding career experts in dental sciences, as the stream of talents will flow from this college to the world. It has evolved into a beautiful paradise which not only hones the skills of budding professionals, but also, prepares them psychologically through its various extended activities

**Plan of action chalked out by the IQAC in the beginning of the academic year towards
Quality Enhancement and outcome achieved by the end of the academic year**

Plan of Action	Achievements/Outcomes
1. Planned to further improve the Quality of Academic Practices by upgrading ISO 9001:2008 to ISO 9001:2015 Certification.	1. Our Institutional QMS Team conducted regular internal audits, sensitization and Training program, had mock external audit on 29.4.19 and final ISO Audit on 16.5.19 & 17.5.19 and we were awarded with ISO 9001:2015 Certification.
2. Planned to train Post Graduates from all Departments with Add-on Courses (Oral Implantology and Laser), which will help them in future clinical practice and Employability	2. 14 Post Graduates from Endodontics, Oral Surgery, Periodontics, Orthodontics, Prosthodontics and Oral Pathology enrolled in oral implantology and laser certification course and got trained.
3. To strengthen the Stake Holders Feedback, by involving E governance in Feedback System, Analysis and Steps taken based on feedback	3. Online feedback system was initiated via CIS Portal, students were sensitized and trained for the system and overall control was given to Mentor Committee and other Teaching Departments.
4. To take our pride overseas, Action plan to be chalked out for Sri Lankan Medical Council (SLMC) Inspection and	4. facilities provided by our institution and gave positive feedback for recognition. Waiting for the reply

SAKTHI UTSAV 2K19 – REPORT

The annual cultural and sport events of Adhiparasakthi Dental College & Hospital “SAKTHI UTSAV 2K19” started on 09/04/2019 and held till 16/04/2019 followed by our college day on 24/04/2019. The events started with inauguration function presided by our Principal, Prof.,Dr.S. Thillainayagam MDS., and he officially announced the start of the events in the presence of all department HODs, staffs, student council members and students.

Many students took part in the off-stage events held from 9th April to 11th April 2019 from 1pm to 3:30 pm and showed their hidden talents and won prizes. Sports events were held on 12th and 13th April at GB public school sports ground and Adhiparsakthi Engineering College

indoor stadium and cricket ground. All the team members participated with a lot of enthusiasm in order to boost up points for their respective batches.

The On-stage events were held on 16th April 2019 at APDCH Platinum Jubilee Auditorium from 10:00 am to 6:00 pm .Students show cased their inner talents with beautiful costumes on the well arranged stage and made it much more pretty. The judges for the on stage events were professionals in the field of dancing, singing etc.

The college day was held on 24th April 2019, at APDCH Silver Jubilee Auditorium in the chief presence of Srimathi. Lakshmi Bangaru Adigalar, Dr. Ramesh, MD., Principal, Prof, Dr. S.Thillainayagam, MDS., Vice principal, Dr. Thilagavathi, MDS., and all department heads and staffs and members of student welfare committee and the students. Inauguration started at 10:00 am with prayer song, Thamizhthai Vazhthu and lamp lighting followed by felicitation, welcome address, annual report and guest speaker speech. Prizes and trophies were distributed for the winners of off-stage and on-stage events, sports events and also to the toppers of the TNMGRU exam August 2018 and February 2019. The day came to an end with vote of thanks and National anthem.

BEST PRACTICES

ISO 9001:2008 UPGRADED TO ISO 9001:2015

There is a tremendous increase in enabled communication of intent and consistency of action, describing and implementing an effective, Quality System, providing improved control of practices and facilitating assurance activities as well as providing the documented basis for auditing the Quality System.

SUSTENANCE OF QUALITY IN PATIENT CARE

The practice: Training programs were arranged for the staff regarding the main focus areas like Infection Control. The Patient Rights and Education (PRE) were emphasized and updated. Continuous Quality Improvement was followed and the responsibilities, management and safety measures were reinforced. Evidence of success: NABH accreditation has resulted in high quality of care and patient safety. Patient's satisfaction is regularly evaluated. Rights of the patients are being respected and protected. Our dental college has succeeded in demonstrating commitment to quality care. The teaching as well as non-teaching staffs are provided with continuous learning opportunities and good working environment.

ANNUAL REPORT 2017-2018

About Adhiparasakthi Dental College & Hospital

Adhiparasakthi Dental College & Hospital situated in the temple town of Melmaruvathur, well connected to both Chennai and Pondicherry. The dental hospital was started in 2003 which later evolved into a teaching Institution in 2005. The college was started with an aim to impart knowledge, values, discipline, and culture to student. "Service towards humanity" has been the primary motto of the Institution. Apart from training students to become good dental professionals they are also groomed to become responsible citizens.

The Institution is privileged to possess good infrastructure, library and equipment with modern state of technologies. Students are encouraged to do research and utilize the facilities available and the Institution without any constraints. Our Institution has been blessed to serve many hundreds of patients per day: "Experience is the Best Teacher". This heavy inflow of patients helps students to gain wide knowledge and experience. The management and faculty members encourage and train students to become good professionals who are capable of treating a patient independently and confidently with ethical values and beliefs.

"Mouth is the mirror of human body". Any alterations in the oral cavity affects or reflects the health of the body in general. The above said fact lays the foundation for the essential study of dental science. The significance of the oral cavity cannot be undermined and hence the necessity for Dentistry in the field of Medicine.

A bachelor's course in Dentistry helps the student to acquire a basic knowledge of anatomy, physiology & biochemistry (general & oral aspects) in the first year of studies. In the second year of study they are encouraged to study the pharmacology, microbiology & pathology thoroughly. In the third year they are exposed to various surgical procedures and medical illness affecting the human body. Hence by the time the students reach the final year he /she have already obtained a fairly thorough knowledge about basic functioning of the human body and various diseases affecting humans.

Accommodation and Transport

Hostel facilities are available for the APDCH students for both UG & PG (Ladies & Gents). Staff Quarters are available for all Heads & Doctors. There are also guest rooms located near the hospital, which are primarily for patients, relatives, doctors & staff during any emergency.

Pre-Employment & Annual Health Check-up

All Staff are required to complete a medical examination done before being appointed or joining duty as a part of Pre-employment health Check-up and followed by an Annual health check-up for upcoming years till their employment.

Pre-employment health check-up

The medical check-up was conducted for the selected employee to confirm their medical fitness for the job. The fitness test was conducted by the Medical practitioner from Adhiparasakthi Hospitals (A clinical division of MAPIMS). All staff having Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will have full cost exemption for their Annual Health-checkups done only in Adhiparasakthi Hospitals. Other Staff (Non-policy holders) will have 50% of cost exemption from the total charges.

Medical benefit

An individual and their family members (Father, Mother, Spouse and children) holding Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will be eligible for the following.

For In-Patient Facility - 100% Concession

For Out Patient Facility - 25% Concession

CORE VALUES

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well trained support staff who work as one team
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.

GOALS

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on, models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.

Mother wants all her children to live in peace and comfort. Unfortunately, the evils of racial discrimination, economic inequalities, communal bias, class distinctions, linguistic fanaticism and social instability plague the world. This is the consequence of the decline in the spiritual value and the emergence of materialism. To overcome these problems, the "Mother" wants each of his devotees to help the oppressed and the underprivileged. The first step in this direction was formation of The Adhiparasakthi Charitable Medical Educational and Cultural Trust (ACMEC). The Trust was created in 1978 with the prime objective to spread spirituality and render social and community services irrespective of caste, creed, community and religion

DR. T. RAMESH CORRESPONDENT

I am delighted to welcome you to Adhiparasakthi Dental College & Hospital, a splendid place of Learning and Practicing! Adhiparasakthi Dental College & Hospital is a leading centre of excellence in oral health care, recognised for its under graduate and post graduate training programmes. The Institution offers excellent education and training facilities for a bright and prospective career in dentistry. Established in 2005, our major emphasis of imparting training is to kindle the curiosity and innovativeness in our students and lay a strong foundation from where they can acquire quick learning abilities and adapt themselves to the fast changing world.

We have an innovative and forward looking curriculum. The Institution has been progressing steadily and is gradually emerging to be internationally acclaimed. Our faculty comprises of well experienced, renowned, dedicated and successful teachers who have been imparting up- to-date knowledge and training in good diagnosis and therapeutic facilities, research and academic activities

The college provides an excellent atmosphere for students complimented by a vibrant mix of culture and style. So, we shape outstanding career experts in dental sciences, as the stream of talents will flow from this college to the world. It has evolved into a beautiful paradise which not only hones the skills of budding professionals, but also, prepares them psychologically through its various extended activities.

Quality Enhancement**

Plan of Action

- For getting Training Exposure and Interaction with International Clinical Legends IQAC had planned to conduct at least TWO International Level Program with International Level Speakers IQAC chalked out plans to achieve at least FIFTY Credit Points from Dental Council Of India Statutory Body by Organizing CDE Workshop Seminar, Symposia, State ,National and International Conferences.
- To improve the Clinical and Patient Management Skills of the Post graduates. IQAC planned to conduct a National Level Workshop for the same. IQAC has planned to improve Teaching and Clinical Skills of the Faculties in this Regard Employees were planned to get trained at least THIRTY HOURS Per Staff per Year outside the College.
- To Inculcate and improve Scientific Presentation Skills in the form of Paper, Poster, Quiz, Debate, Guest, Invited Speakers for Students and Faculty IQAC planned to motivate minimum TEN Students Per Year.
- To Improve the Curricular Excellence among Students IQAC conducted ENDOWMENT MEDAL EXAM as an Inter College Competition.
- In order to achieve Fifteen Distinctions Per Subject Per Year IQAC Chalked out Plans to improve Academic, Clinical Skills and art of Presentation by the Students IQAC along with ACADEMIC CELL has planned to achieve Ninety-Five Percentage Pass in the University Examinations and all faculties were sensitized to train students in order.

SAKTHI UTSAV 2K18 REPORT

The annual cultural and sport events of Adhiparasakthi Dental College & Hospital “SAKTHI UTSAV 2K18” started on 05/04/2018 and held till 23/04/2018 followed by our college day on 24/04/2018.

Sports events were held on 5th and 7th April 2018 at GB public school sports ground and Adhiparasakthi Engineering College indoor stadium and cricket ground. The events started with inauguration function presided by our MD Dr. Ramesh and Principal, Prof., Dr.S. Thillainayagam MDS., at 9:00 am and he officially announced the start of the events in the presence of all department HODs, staffs, student council members and students.

Many students took part in the off-stage events held from 17th April to 19th April 2018 from 1pm to 3:30 pm and showed their hidden talents and won prizes.

The On-stage events were held on 23rd April 2018 at APDCH Platinum Jubilee Auditorium from 9:30 am to 4:00 pm. Students showed their immense talents with colourful costumes.

The college day was held on 24th April 2018, at APDCH Silver Jubilee Auditorium in the chief presence of Srimathi. Lakshmi Bangaru Adigalar, Dr. Ramesh, MD., Principal, Prof, Dr. S.Thillainayagam, MDS., Vice principal, Dr. Thilagavathi, MDS., and all department heads and staffs and members of student welfare committee and the students. Inauguration started at 10:00 am with prayer song, Thamizhthai Vazhthu and lamp lighting followed by felicitation, welcome address, annual report and guest speaker speech. Prizes and trophies were distributed for the winners of off-stage and on-stage events, sports events and also to the toppers of the TNMGRU exam August 2017 and February 2018. The day came to an end with vote of thanks and National anthem.

Future Plans of Actions for Next Academic Year

Planned to further improve the Quality of Academic Practices by upgrading ISO 9001:2008 to ISO 9001:2015 Certification. Planned to train Post Graduates from all Departments with Add-on Courses (Oral Implantology and Laser), which will help them in future clinical practice and Employability. To strengthen the Stake Holders Feedback, by involving E governance in Feedback System, Analysis and Steps taken based on feedback. To take our pride overseas, Action plan to be chalked out for Sri Lankan Medical Council (SLMC) Inspection and Recognition. To streamline Quality Clinical Practices and Excellence, planned to apply for National Accreditation Board for Hospitals (NABH) .To introduce updated Equipment's and innovations in clinical practice and to train our students and Faculties towards the same. To improve diversity in Academic, Clinical and Research Activities, planned to increase institutional and industrial collaboration by promoting and signing more MOUs. 8.To organize more Faculty Development Programs for teaching and non teaching faculties towards improving Quality Practices. To further plan and improve Health scheme qualities by implementing Annual Health Check up for all Employees. To identify curricular, co curricular and Extra curricular toppers and further shape them to achieve further excellence in the field of Dentistry. To promote student club activities by allowing and facilitating them in organizing festivals, Education and Field Trips. To start up exclusive Digital Marketing Team for institutional promotion and Excellence. To plan and organize more Gender Equity Programs for women empowerment.

Annual report 2016-2017

ABOUT APDCH:

Adhiparasakthi Dental College & Hospital situated in the temple town of Melmaruvathur, well connected to both Chennai and Pondicherry. The dental hospital was started in 2003 which later evolved into a teaching Institution in 2005. The college was started with an aim to impart knowledge, values, discipline, and culture to student. "Service towards humanity" has been the primary motto of the Institution. Apart from training students to become good dental professionals they are also groomed to become responsible citizens.

The Institution is privileged to possess good infrastructure, library and equipments with modern state of technologies. Students are encouraged to do research and utilize the facilities available and the Institution without any constraints. Our Institution has been blessed to serve many hundreds of patients per day: "Experience is the Best Teacher". This heavy inflow of patients helps students to gain wide knowledge and experience. The management and faculty members encourage and train students to become good professionals who are capable of treating a patient independently and confidently with ethical values and beliefs.

"Mouth is the mirror of human body". Any alterations in the oral cavity affects or reflects the health of the body in general. The above said fact lays the foundation for the essential study of dental science. The significance of the oral cavity cannot be undermined and hence the necessity for Dentistry in the field of Medicine.

A bachelor's course in Dentistry helps the student to acquire a basic knowledge of anatomy, physiology & biochemistry (general & oral aspects) in the first year of studies. In the second year of study they are encouraged to study the pharmacology, microbiology & pathology thoroughly. In the third year they are exposed to various surgical procedures and medical illness affecting the human body. Hence by the time the students reach the final year he /she have already obtained a fairly thorough knowledge about basic functioning of the human body and various diseases affecting humans.

The focus of education is although on the oral cavity which includes the following specialties

- Oral medicine & Dental Radiology,
- Oral and Maxillofacial Surgery,
- Oral Pathology & Oral Microbiology,
- Prosthodontics, Crown & Bridge & Dental Implantology,
- Conservative Dentistry & Endodontics,
- Periodontics,
- Orthodontics & Dentofacial Orthopedics,
- Pedodontics & Preventive Dentistry
- Public Health Dentistry.

Accommodation and Transport

Hostel facilities are available for the APDCH students for both UG & PG (Ladies & Gents). Staff Quarters are available for all Heads & Doctors. There are also guest rooms located near the hospital, which are primarily for patients, relatives, doctors & staff during any emergency.

Pre-Employment & Annual Health Check-up All Staff are required to complete a medical examination done before being appointed or joining duty as a part of Pre-employment health Check-up and followed by an Annual health check-up for upcoming years till their employment.

Pre-employment health check-up: The medical check-up was conducted for the selected employee to confirm their medical fitness for the job. The fitness test was conducted by the Medical practitioner from Adhiparasakthi Hospitals (A clinical division of MAPIMS).

Annual Health Check-up: All staff having Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will have full cost exemption for their Annual Health-check-ups done only in Adhiparasakthi Hospitals. Other Staff (Non-policy holders) will have 50% of cost exemption from the total charges.

Medical benefit:

An individual and their family members (Father, Mother, Spouse and children) holding Bangaru Adigalar Health Scheme (Bajaj Allianz) insurance policy will be eligible for the following.
For In-Patient Facility - 100% Concession
For Out Patient Facility - 25% Concession

Computerization of administration and library

The management has a comprehensive policy for the automation of the college administration, hospital administration and use of IT facility in teaching and learning program which is made possible by a CIS system which encompasses most of the above said procedures. Accounts department is provided with Tally 9.3 – (Multiuser) software for all financial data management and FTDS – For calculating TDS deductions. Library runs with “NIRMAL PRO 6.1.0” software. e- Resources are available to enable the students a speedy and convenient access to the Library journals through EBSCO. Other resources like pub med; Medline etc. can be accessed in the campus through broadband- based LAN connection and specific Wi-Fi hotspots. Access to on-line learning resources (e-journals & e-books). The Institute has adopted a "paper-less" work culture, and automation of administration and library has been done through various software's and LAN system. Deployment and up-gradation of all the computers & electronic services is undertaken by the IT cell Continuous up-gradation, maintenance and budgetary allocation are done by the Institutional Purchase & Maintenance and Finance Committees respectively.

Proposed Plan for the Current Year

1. The Institute has a plan to develop software applications for patient management.
2. Patient feedback through e- Kiosk software.
3. Library catalogue, circulation etc. executed through PACEX software.
4. Library to employ Bar Coding System (utilization process).
5. LIS-SDC – application for Library Information System.
6. ICT Cell in Library.
7. To enable entire Institute with Wi-Fi.

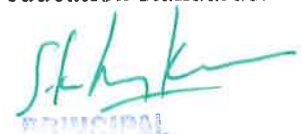

VISION

The vision of the institution is to emerge as a world class institution in creating and imparting knowledge, providing students a unique learning experience in dentistry with the state of the art technology along with value education that will empower students for the betterment of their own future and for the well-being of the mankind.

MISSION

- To render the services to the poor and needy population.
- To provide meaningful high education from undergraduate to post-doctoral programs, research and training.
- To impart higher technical skills, experiences and specialized academic excellence to the students thereby fostering innovation and generating new knowledge.
- To create a rich and pleasant environment for studying, living and working where education and research go hand in hand flourishingly.
- To serve the under-served, nurture learner centric quality dental education, quality patient oriented service, community centered research, excellence in knowledge, skills and strategic future oriented planning that meets the national, global Dental education standards.

CORE VALUES

People	This is our greatest asset and we ensure that we have the services of highly experienced physicians, surgeons and well trained support staff who work as one team
Services	We pride ourselves in providing compassionate and individualized care with the right attitude to our patients in a safe and ambient environment.
Facilities	We ensure that we have the support of the advanced technology and procedures in the healthcare industry to carry out our day-to-day activities in service delivery.
Innovation	We are committed to a supportive environment that encourages new ideas and creativity.
Excellence	We pursue a high standard of excellence and honesty in everything we do.

GOALS

- To help the students to understand the nuances of the profession in emerging as a novel personality to care for the community.
- To ensure the students to face challenges not only by teaching but through interactive learning and hands on sessions, both on, models and in the clinical scenario (simulated interactive pedagogy).
- To prepare the student to meet future challenges in the profession and to be role models in the society.
- Training programs are structured such as that it ensures the students imbibe and assimilate the best practices on par with the global standards.
- Comprehensive dental care and outreach programs to ensure prompt and free dental care to all sections of the population.

Mother wants all her children to live in peace and comfort. Unfortunately, the evils of racial discrimination, economic inequalities, communal bias, class distinctions, linguistic fanaticism and social instability plague the world. This is the consequence of the decline in the spiritual value and the emergence of materialism. To overcome these problems, the “Mother” wants each of his devotees to help the oppressed and the underprivileged. The first step in this direction was formation of The Adhiparasakthi Charitable Medical Educational and Cultural Trust (ACMEC). The Trust was created in 1978 with the prime objective to spread spirituality and render social and community services irrespective of caste, creed, community and religion

DR. T. RAMESH CORRESPONDENT

I am delighted to welcome you to Adhiparasakthi Dental College & Hospital, a splendid place of Learning and Practicing! Adhiparasakthi Dental College & Hospital is a leading centre of excellence in oral health care, recognised for its under graduate and post graduate training programmes. The Institution offers excellent education and training facilities for a bright and prospective career in dentistry. Established in 2005, our major emphasis of imparting training is to kindle the curiosity and innovativeness in our students and lay a strong foundation from where they can acquire quick learning abilities and adapt themselves to the fast changing world.

We have an innovative and forward looking curriculum. The Institution has been progressing steadily and is gradually emerging to be internationally acclaimed. Our faculty comprises of well experienced, renowned, dedicated and successful teachers who have been imparting up- to-date knowledge and training in good diagnosis and therapeutic facilities, research and academic activities.

The college provides an excellent atmosphere for students complimented by a vibrant mix of culture and style. So, we shape outstanding career experts in dental sciences, as the stream of talents will flow from this college to the world. It has evolved into a beautiful paradise which not only hones the skills of budding professionals, but also, prepares them psychologically through its various extended activities.

1. Student Attendance for the undergraduates and post graduates shall be minimum of 90% for the academic year 2016-17.
2. 10. Under graduates and post graduate students pass percentage should be 100% in the University exams for the academic year 2016-17.
3. The feedback received from the students regarding the academic activities of the faculty through online to be analyzed and best teacher awards shall be given within June 2017.
4. To enable delivery of all lectures through smart board in the institution within January 2017.
5. To conduct career guidance Program for all the CRRI within August 2017.
6. University Distinction shall be minimum ten per academic year for the academic year 2016-17.
7. University level first mark shall be minimum one per academic year for the academic year 2016-17.
8. To conduct an Endowment medal exam for all dental departments by June 2017.
9. To sensitize the under graduate/post graduate students for utilization of the library for a minimum of 20hrs/week and 40 hrs/week respectively and to be monitored by the teaching faculty for the academic year 2016-17.
10. To conduct an inter college level pre-clinical practical exam for under graduate basic sciences department involving conservative dentistry/prosthodontics/oral histology within May 2017.
11. To conduct minimum of three inter college level practical medal exam by the undergraduate dental departments within May 2017.
12. The Undergraduate research project for **CRRI** shall be minimum one per clinical batch and projects to be approved by the IRB and monitored by the SAF and completed within July 2017.
13. The Undergraduate research project for **Clinical Students** shall be minimum one per clinical batch and projects to approve by the IRB and monitored by the SAF and completed within July 2017.

S. Chyck
Prof. Dr. S. Chyck
Dental Department
Adhiparasakthi Dental College & Hospital
Tamil Nadu - 605 007

14. Each post graduate department should present a minimum of 2 scientific poster/paper in the specialty conferences at National/ state level and the projects to be approved by the IRB and monitored by the SAF for the academic year 2016-17.
15. To motivate minimum 10 undergraduate students per/ academic year to attend a at least three programs in Curricular and Co-curricular activities outside the college per year for the academic year 2016-17
16. To obtain for International Tie up with the Srilankan Dental council by Dec 2016.
 - a. Admission of 15% of International students (NRI quota) in the academic year 2016-2017.
17. To conduct vaccination program for new batch student in the academic year 2016-17.
18. To institute collaborations with other institution and industries for Academic activities by Dec 2016.

OBJECTIVES FOR STAFF/FACULTY WELFARE AND DEVELOPMENT:

1. To conduct committee review meeting biannually and submit the report to IQAC for monitoring the functions of the committee for the academic year 2016-17.
2. Each faculty should attend a minimum of two conferences/CDE/Workshops at National/ state/regional level for the academic year 2016-17.
3. To motivate minimum one teaching faculty to register for the PhD program for the academic year 2016-17.
4. Each teaching and non-teaching department to conduct intradepartmental 5S audit bi monthly which will be monitored by inter departmental audit team and the 5 s implementation rating should be 80% in all departments during every monthly 5S Audits.
5. The average kaizen per employee should be minimum 2 No's per month for the academic year 2016-17.

S. Kalyan
Prof. Dr. S. Kalyan
ALL THE BEST
DENTISTRY DEPARTMENT
HOSPITAL
Tamil Nadu - 605 002

6. To motivate kaizen practice among the employee's institutional level best kaizen awards to be given bi annually for teaching and non-teaching staffs during the college day for the academic year 2016-17.
7. To publish minimum 1 original research paper/ /faculty/ year as first author in national / international /Pub med /peer reviewed indexed journal for the academic year 2016-17
8. Training of employees/faculties outside /within the college shall be minimum of at least 50 hours/ staff per year for the academic year 2016-17.
9. To sensitize teaching faculties regarding functioning of dental education unit/ teaching methodologies and to conduct awareness program at institutional level within January 2017.
10. To establish an institutional level Dental Education Unit by December 2016.

OBJECTIVES FOR ACADEMIC AND CLINICAL RESEARCH:

1. To organize minimum of two National /State /Regional level Seminar/Conferences/ workshops/symposium / quiz for **post graduate students** for the academic year 2016-17.
2. To organize minimum of seven National /State /Regional level Seminar/Conferences/ workshops/symposium / quiz for **under graduate students** for the academic year 2016-17.
3. To organize minimum one inter departmental National /State /Regional level Seminar/Conferences/ workshops/symposium / quiz **involving basic medical sciences** subjects for the academic year 2016-17.
4. College shall organize program to achieve at least 50 CDE points from DCI/The Tamil Nadu Dr. M.G.R Medical University for Doctors/ Students for the academic year 2016-17.
5. To organize two guest lecturers with International speakers in the academic year 2017-18.
6. To motivate minimum one teaching faculty/Post graduate student to publish in our college journal for the academic year 2016-17.
7. To establish a fully functional research wing at the institutional level within June 2017.
8. To motivate the research culture among the student's/faculties best projects/best thesis/best paper/poster awards to be given to the students/faculties for the projects carried after the approval of IRB within July 2017.

9. To conduct minimum one research program by the faculty /students with external funding in academic year 2016-17.
10. To start Para dental certified courses such as Dental mechanics, Dental hygienist and Dental operating room assistant by august 2017.
11. Implementation of innovative teaching methodologies by covering 80% from the traditional method by 2016-17
12. To obtain ISO; 9001; 2015 certification by July2017
13. To establish minimum of two clinical certificate courses such as dental operating microscopes, esthetic dentistry and rotary endodontic under AADHAR within July 2017.
14. The slow learners to be identified after the completion of terminal/University examination and special classes to be conducted separately and the progress shall be monitored with appropriate with the students for the academic year 2016-2017.

Employee Safety Measures

- ✓ Pre-Employment Medical Check-up
- ✓ Annual Health Check-up
- ✓ Radiation Badge / Radiation Leave
- ✓ Lead Apron
- ✓ Personal Protective Equipment (PPE)
- ✓ Blood Spillage Kit
- ✓ Chemical Spillage Kit
- ✓ Mercury Spillage Kit

Gender Sensitization Committee Against Sexual Harassment

The policy outlines the protocol and measures implemented at APDCH to prevent violence and harassment including sexual harassment at the workplace. There is a clear intent that at APDCH there is "Zero tolerance to any form of violence or harassment (including sexual) towards any member of its workforce.

PRINCIPAL
Prof. Dr. S. Karthiga Kumari, M.D.
ADHIPARASAKTHI
DENTAL COLLEGE & HOSPITAL
Mangalagiri, Chittoor District
Tamil Nadu - 635 317

The policy on Preventing Sexual harassment at Workplace follows the guideline of the Sexual Harassment of Women at Workplace(Prevention, Prohibition and Redressal) Act 2013

Acts of 'Sexual Harassment' within workplace are recognized as violation of Human rights.

According to the Supreme Court definition, sexual harassment is an unwelcome sexually determined behavior, such as

- Physical contact
- A demand or request for sexual favors
- Sexually colored remarks
- Showing pornography
- Any other Physical, verbal or non-verbal conducts of a sexual nature.

Significant Activities and contributions made by IQAC

1. IQAC prepared **separate calendar** for the academic year 2016-17 and conducted periodical meetings monthly with committee members where the various administrative and academic activities were recorded and reviewed by the chairperson.
2. IQAC prepared the college **annual calendar** for faculty and students for the academic year 16-17 and monitored the calendar events regularly.
3. IQAC prepared the college **AQAR report** for the academic year 2016-2017 after discussion with the committee members.
4. IQAC governs various **committees** and monitors the functioning of the committees constituted in our Institution and conducted review meetings with various committees on **26-06-2017 and 27-06-2017** framed the protocols for effective functioning of the committees and the academic plan of each committee was discussed and the documents pertaining to various activities of the committees are recorded and reviewed.
5. Organized **various camps** in rural areas, schools and conducted various awareness programs in association with public health department for patient care and welfare.

ADHIPARASAKTHI
DENTAL COLLEGE & HOSPITAL
TAMILNADU DR. M. G. R. MEDICAL UNIVERSITY
CHENNAI
Unit No. 623 519

6. Organized various education program (CDE, guest lectures, seminars, workshops) in association with teaching departments for student development and welfare and updating is done in the **event file** regularly
7. Organized various national and international days involving the social cause and oral health
8. Academic term wise feedback collection and analysis done for the academic activities from the students regularly
9. Feedback collection and analysis done for the treatment services from the patients regularly
10. Organized parents and teachers meeting in association with mentor committee on 13 /04/17 for discussion of academic and nonacademic activities of students and collected the feedback from the parents
11. Circle meeting: IQAC continued to conduct the circle meeting started from 28/12/2015. The circle meeting is held for about 10 - 15 minutes every day as per a fixed agenda. The Principal, IQAC member secretary, all academic department HODs' and nonacademic department Managers identify, analyses and solve work-related problems and present their solutions to management in order to improve the performance of the Institution, and motivate and enrich the working atmosphere. IQAC records the minutes of the circle meeting every day in a structured format. This circle meeting concept boosted a positive attitude and creates a tension-free atmosphere, which each individual faculty likes, understands, and co-operates with other in the decision making processes of the services offered in our Institution.
12. IQAC along with SAF organize and documents various CDE programs leading to quality improvement. Organization of CDE program on quality related themes and achieved 56 CDE points from DCI The Institution recognizes its responsibility to provide the dental professional with high quality CDE covering the most current information available on a wide variety of topics, from new techniques and materials to innovative practice management solutions

13. IQAC obtains the feedback from various stakeholders such as students, faculty, parents and alumni. The feedbacks are analyzed and benchmarks are set for quality improvement. Analysis of the feedback response obtained from the students, parents and faculty on quality related institutional processes.
14. Release of Institutional prospectus; Institutional prospectus for the academic year 2016 -17 was released by the Patron SakthiThiru Ramesh.. The prospectus was circulated to facilitate the dissemination of information pertaining to the developments and activities of the Institution
15. Soft skill training for students; IQAC conducts Soft skills training program which will make the students aware of his / her hidden capabilities and to refine it for the overall development and success of the student
16. Soft Skills training programs fine-tune the students' attitudes, values, beliefs, motivation, desires, feelings, eagerness to learn, willingness to share and embrace new ideas, goal orientation, flexibility, persuasion, futuristic thinking, diplomacy, and various skill sets of communication, manners, and etiquette so that they will be able to deal with different situations diligently and responsibly.
17. Total of 60 hours training was done in the form of weekly classes for the IBDS students with external expertise -Mr Dwaraknath, Ms Lavanya, Dr Vaithegi MD General Pathologist, and Miss Asha Daniel.
18. The topics covered were Goal setting, time management, team building, life skills, self discipline, 5S housekeeping and leadership.
19. Activities included in the training program were mind mapping, group discussions, role plays and quizzes.

Industry Interaction / Collaboration

Industrial collaboration, MOU with other Organizations, Institutions and Hospitals being given adequate thrust. Patents are encouraged. To have more interaction and tie ups with industries in terms of research perspective we regularly organize industrial visits for the faculty and students.

Research and Development

1. IRB & SAF closely monitors progress of research related activities of faculty & students.
2. IRB advises researchers regarding latest rules and regulations pertaining to research.
3. Upkeep of Centralized Research Lab and its functioning in MAPIMS..
4. Promoting research culture by organizing various guest lectures and FDP on research methodology.
5. Intra-mural grants provided by the Institution for the research.
6. Industrial collaboration, MOU with other Organizations, Institutions and Hospitals being given adequate thrust.
7. Promotion policy to be based on research & publication.
8. To encourage the faculty and the students to participate actively in the research activities.
9. To provide incentives to the faculties, to encourage paper publications, presentations and to attend conference.
10. To increase the number of research project funded by major agencies
11. To establish MOU for research with SIRO by DSIR ,government of India
12. Conducted awareness program for encouraging the faculties to enrol themselves in PhD programs.

Teaching and learning Methodology implemented are as follows

1. Simulation teaching through patients models are implemented in the preclinical conservative laboratory.
2. SOPs and Checklists for various Procedures, Treatment Plans and Processes are formulated as part of TQM
3. Mentor-Mentee Program conducted regularly and included signature in the approval of leave for students.
4. Organized various Guest Lectures, CDEs, Conventions and Conferences to enrich the knowledge.
5. Departmental Teaching Plans collected term wise and implementation is reviewed during the internal audits.
6. Inter-departmental Meet conducted on monthly basis.(ooo meet)
7. Clinical-pathological Meet conducted for cases involving multi-disciplinary approach.
8. Oral Viva Cards
9. Journal Club, Seminar, Case Presentations
10. Group Discussion, Case Based Discussions
11. Identification of Slow and Fast Learners
12. Remedial Classes are scheduled for slow learners.
13. To provide value based dental education to the students by innovative teaching methods in their academic system.
14. Feedbacks from the students are analysed & improvements are made based on it.
15. Additionally we have good e-learning strategy to bring out graduates of global competence.

SAKTHI UTSAV 2K17 – REPORT

The annual cultural and sport events of Adhiparasakthi Dental College & Hospital “SAKTHI UTSAV 2K17” started on 17/04/2017 and was held till 23/04/2017 followed by our college day on 28/04/2017. The events started with inauguration function presided by our Principal, Prof.,Dr.S. Thillainayagam and he officially announced the start of the events in the presence of all department HODs, staffs, members of the students’ welfare committee, student council and students.

Many students took part in the off-stage events held from 17th April to 20th April 2017 from 1pm to 3:30 pm and showed their hidden talents and won prizes. Sports events were held on 22nd and 23rd April 2017 at GB public school sports ground and Adhiparsakthi Engineering College indoor stadium and cricket ground.. All the team members performed well and uplifted the points for their respective batches.

The On-stage events were held on 21st April 2017 at APDCH Platinum Jubilee Auditorium from 10:00 am to 4:00 pm. Students showed their immense talents with colourful costumes on the well arranged stage and made it much more pretty.

The college day was held on 28th April 2017 at APDCH Silver Jubilee Auditorium in the chief presence of Srimathi. Lakshmi Bangaru Adigalar, Dr. Ramesh, MD., Principal, Prof, Dr. S.Thillainayagam, MDS., Vice principal, Dr. Thilagavathi, MDS., and all heads of the departments, staff members, members of students welfare committee and the students. Inauguration started at 10:00 am with prayer song, Thamizhthai Vazhthu and lamp lighting followed by felicitation, welcome address, annual report and guest speaker speech. Prizes and trophies were distributed for the winners of off-stage and on-stage events, sports events and also to the toppers of the TNMGRU exam held in August 2016

Innovations and Best Practices

Innovations introduced during this academic year which have created a positive impact on the Functioning of the institution. Give details.

- Monitoring documentation pertaining to various Institutional Committees and departmental work.
- Library automation with Bar Coding facilities.
- Bio-Medical Waste Management and Energy conservation initiatives.
Special emphasis on inculcation of Core Values in the staff and students. Soft skill programs to students.
- Kaizen practice for employee and Best kaizen awards
- 5s audit
- IQAC performs tirelessly with self-regulated responsibilities aimed at continuous improvement of quality for achieving academic excellence. The IQAC has introduced many new innovative practices to help students in their pursuit for attaining quality dental education. Classes are engaged with the help of smart board and multimedia enabled class rooms.
- CCTV cameras are installed in clinical departments, examination halls and library area.
- Regular conduction of end posting viva.
- Introduction of new certificate courses in Lasers and Implantology clinic.
- Endowment medal examination in MCQ format conducted on 13-07-2017
- Faculty encourages the students not only to become good dentist but also to follow ethical values.
- Comprehensive clinics for treatment of patients with less waiting time and less discomfort.
- Evening clinics to cater the need of community has been planned along with multi-specialty dental wing.
- Lecture on research methodology for faculty & students.

Chennai-600 035, Chennai District
Tamil Nadu - 600 035

- Encouragement of staff and students in undertaking major & minor projects, in-house or
 - a. Collaborative research pertaining to their areas of interest is well supported
 - b. Large number of extension activities (health awareness and treatment camps).
- Free/Highly Subsidized Quality Medical and Dental Treatment.
- Code of Conduct for students and fresher welcome meet.
- Introduction to Advanced certificate course in Dentistry (Lasers & Implants).
 - a. Regular Value Added Programs, Webinar, CDE, and Guest Lectures for professional growth and development.
- Participation in various Inter/Intra Institutional extra-curricular Activities
- Inclusion of selected Students in various Institutional Committees.
- Students are especially encouraged to participate in inter-college/ inter-institutional Inter- university cultural, sports and academic events.
- Faculty appraisal system imparted motivation to faculty members and enabled them to set goals and work towards the same.
- IQAC released Institutional prospectus for the academic year 2017-18 that has been circulated to various colleges in South India facilitating dissemination of information pertaining to the developments and activities of the Institution. IQAC conducted Soft skills training program for the I year BDS students. Active participation in these training programs by the students empowered them to understand "who they are" and how best they can come across as competent individuals in any given situation.
- The Institution in collaboration with Pathanjali Yoga centre conducted regular Yoga classes for the I BDS students.
- IQAC conducted an extended hour of learning where in the students were made to write daily test based on university question bank in the month of June and July for all BDS students. IQAC along with the management selects the best kaizen practice once in every 3 months and awards the faculties and nonteaching staff for TQM practice like the best Kaizen, best social cause kaizen. Orientation Programmes on 28/3/2017 organized by the IQAC for newly appointed teachers to understand and implement the APDCH management.
